

MORE
LIFE. LESS
FUEL.

OMODA
CS HEV

It's Hybrid. Turbocharged with Style.

LESS FUEL. MORE WHEREVER YOU WANT TO BE

The new OMODA C5 HEV carries forward a legacy of craftsmanship, where electrified performance meets refined design. Every surface flows with intent.

DESIGN PHILOSOPHY

Sculpted for a new era.

A signature presence, now electrified.

The new C5 HEV pairs intelligent power with bold design,
every detail made to stand out.

DESIGNED TO COMMAND ATTENTION

Make a grand entrance with the new C5 HEV.

*Features Listed May Be Model Dependent.

1 - Electrified Presence

The 18" aluminium alloy wheels anchor the C5 HEV with confident precision. Sculpted to complement its athletic stance, they reinforce a look that is both progressive and powerful.

2 - Illuminated Authority

Precision LED headlights and striking daytime running lamps create a sharp electrifying signature that commands attention. Designed for clarity and confidence, they ensure you're seen and remembered.

3 - Let the Light In

The power sunroof transforms every drive into an immersive experience. With a touch, the cabin opens to light, air, and the freedom that defines modern mobility.

4 - Intelligent Convenience

The power trunk door responds effortlessly to your lifestyle. Whether loading for the week or escaping for the weekend, access is seamless and refined.

5 - Designed with Intent

Every exterior detail, from its sculpted contours to its aerodynamic silhouette reflects thoughtful engineering. The result is a vehicle that looks as advanced as it performs.
